EXPLORER CAMP

SHAMWARI PRIVATE GAME RESERVE

Adventure Inspired by Nature

This unique walking experience is ideal for guests looking for an adventurous and authentic option offering the ambience of a tented bush camp of old safari lore. The camp is located on a plateau set amongst sandstone extrusions on Shamwari. A truly magical setting awaits.

This is a flexible experience for guests to explore Shamwari Private Game Reserve as we believe that the rigidity of travel needs to be simplified by going back to basics.
This explorer camp reflects the original safari of being on foot and sleeping around the fire at night within the comfort of a bush tent.

Guests will enjoy walks through the magnificent Shamwari, whereby their guide will enhance their experience with birding, cultural history, and other natural history of the area, along with ample opportunity of some Big 5 encounters.

Seamless Arrival Experience

For ultimate convenience and exclusivity, guests may also make use of Shamwari Air, with direct scheduled flights from Cape Town straight to Shamwari, ensuring a smooth, scenic, and stress-free journey.
